## Knights And Bolts

Upsy-daisy!

Hey! Come back here, ya pipsqueak!

Whew, that was close! Good job armour's heavy - that two-ton terror's too tubby to jump the fence!

Who needs to jump, jerk? I'm a human tank! Har har!

CRASH!

SMASH!

The guy what sold me this armour said it'd make me **unstoppable**! Y'might as well give up now and take your thrashing quietly!

Aw, cool off, Muscles, before you pop a rivet!

SPLOOOSH!

I can't move! My armour's gone **rusty**!

You'd better get yourself a tin-opener, then! See you later, Muscles!

Wait'll I tell Goofy about **this**! Muscles McGurk running around in a scrap-iron suit. What a wally!

Hyuk!  
Welcome home,  
Mickey! What's  
new?

Goofy!  
I... You... What  
the - ?

M'new duds leave you  
**speechless**,  
huh?

Has everyone  
in Duckburg  
gone nuts?  
What's with all  
this **armour**?

**Meteor showers**, Mickey!  
Any minute now a big rock might  
fall from the sky and bump y'on  
the bonce!

That's why I bought  
**this!** Armour's  
much cheaper than  
**meteor insurance!**  
Hyuk!

S'long, pal! I'd love to jaw some more,  
but the hardware shop's got a  
special offer of **steel-wool**  
**scarves** I don't wanna miss!

B-but...

**Meteor showers**, my  
foot! Of all the crazy...

Hey, mister!  
**Look out!**

Gangway, dude!

Whoa!

SKATEBOARDS RULE

Excellent! Who needs a motor when you've got magnets and metal?

ZOOOSH!

The whole town's full of nutty knights! Duckburg's become like a scrap metal yard!

Yoo-hoo! Mickey!

Well, I'm sure Minnie won't be struck with metal mania! I'd better go and see...

Minnie! Not you as well?

Well, hello to you, too, Mickey Mouse! Don't you like my new outfit? The handbag's real pig iron!

Very...uh...sturdy, Minnie! But why the new look?

Where've you been, Mickey? It's the latest thing!

Everyone's into metal this season!

I'll say!

# DUCKS AND DINOS!

Donald and the nephews have gone on a trip with Gyro in his time machine. They must have taken a wrong turn, though, because they've ended up way back in prehistoric times! The dinosaurs don't look too pleased to see them!

Look carefully at the picture. There are five things that wouldn't have been around in Jurassic times. Can you spot them all?

There is one detail that appears five times in this picture. What is it?

The dinosaur on the right is a bit peckish. Which way should it go to get to the tasty trees and bushes?

re on page 31.

# EGGS FOR BREAKFAST!

Grandma Duck has sent Gus Goose to get some freshly laid farm eggs for their breakfast. Which way should he go to get to the hens?

The solution is on page 31.

## A Dupe In The Deep

How am I supposed to count **this** many fish? I'm going all fishy-eyed!

Oh, well, I'll just say there are **500** of them. No one's going to have enough **fish fingers** to count them on!

The fish over in that grotto seem to be having a **whale** of a time! I'll try classifying them!

Oboy! There's fatheads, chucklers, ostrichfish, bumpies, stripped huxters, moonfish...

...even a troupe of **balancers**!

Now hang about you guys, while I...

What the...!

Nuts! They all left town like I was a shark! All except that **dopey** one!

And so he does!

Hey! Hang about! Gimme a break!

GLUB!

I take it that the fish like tomatoes!

Like 'em? That was worse than a live bait sale at Sparks and Sharks!

Hmm! I wonder what a dolty eats?

If it's tomatoes, forget it!

It says that the dolty eats lavender sea truffles - and **nothing** else!

I don't suppose you brought some with you?

I didn't, Unca Donald! Lavender truffles are also quite rare!

And so...

£45 a pound for lavender sea truffles! That grinning idiot had better show up for this, or I'll **bomb** him out of the ocean!

FREE GLIK WITH EVERY ZOOG!

CHEEKIE WEEKIE GOURMET SHOP

Once again Donald dives into the deep...

Here, dolty, dolty! Come and get it! Time for din-dins! Unca Don has an itsy-bitsy surprise for you!

Where are you, darned dolty?

Donald finds out what happens when you wander into an octopus's garden...

All's well that ends well... sometimes!

**Dolty?** Who do you think you're trying to fool, Ex-inspector Duck?

Beg your pardon, Sir?

Dimwit! This isn't a rumpleback **dolty!** Look at it!

I don't understand! It was a dolty when we caught it, Sir!

Really? And I suppose before that it was a **shark**?

Excuse me, Sir, but according to the Junior Woodchucks Guidebook, you're right!

This **isn't** a rumpleback dolty!

**WHAT?**

Let me get my hands on you, Duck!

Hang about, Sir! According to our Guidebook, this is actually a short-finned **dupie!** It's better known as the **imposter fish**, because it can make itself look like almost any other fish!

And it's thirty-five times **rarer** than a **dolty!**

And so...

Unca Donald is a really big shot in the Department of Fisheries now!

He's the Chief Assistant to the Assistant Chief's Assistant!

He's happy now he doesn't have to go near any fish! As for me, I just love 'em...

...anyone coming for fish and chips?

## Fox For Mayor

(Gulp!) What are you doing here?

We're going to play a little game of 'Hospitals' - and guess who's the anaesthetist?

That's the back door! All voters have to leave that way to stop any funny business!

You see how careful I've been to make sure there's no cheating!

Now I **definitely know** there's something wrong!

Sorry to rush you but I've got to welcome the next voter!

Seems like Brer Fox is stocking up his larder for the winter!

Groan!

A clever idea - but I know something cleverer!

Later...

Hurry up, Brer Bear! All that campaigning for votes has given me an appetite!

Why do I always have to carry lunch?

I use my brains to catch it, so you use your brawn to carry it! Okay?

(Grunt!) I wish I was smart, so I could figure out if you're making a fool of me!

!

Why've you stopped? I thought you were in a hurry!

As Head of the Election Committee it's my honour to congratulate our new Mayor!

Fancy that! Folks is appreciating me at last!

Hurrah for Mayor Fox!

A WELCOME TO OUR NEW MAYOR

Why not take a rest, Mayor, while we prepare a celebration banquet!

While these good citizens take care of me, you take care of those other citizens, Brer Bear!

You mustn't let all your duties tire you out!

(Sigh!) I always knew I was destined for the big time!

I don't see why I should get stuck with the crummy jobs!

I agree! You should be the one resting and waiting for **your** banquet!

Uhh... what?

Everyone says they would have voted for you, if you'd had the chance to run for Mayor!

If only Brer Fox could be persuaded to hold the election again, I'm sure **you'd** win!

Whoo-ee! Are you serious?

Why don't you pipe down, Brer Bear? I'm trying to sleep!

Excuse me while I go do some persuading!

A WELCOME TO OUR NEW MAYOR

You don't really want to be Mayor, do you, Brer Fox?

Yes...(urg!) I mean, no! No! Help!

Brer Bear can be quite persuasive when he feels like it!

After some reflection, Brer Fox has decided to stand down as Mayor!

Unngh! Someone tell me what this is about!

So I guess we'll just have to hold the election again!

No need. We've already taken a vote, Brer Bear - and you won!

Yippee! I'm the new Mayor!

Groan!

Well, that's not exactly what we voted on!

We just voted you the dumbest animal in the forest!

And I'm glad to say the vote was unanimous!

And just in case there's any doubt, I want to add **my** support to that vote!

I never thought Brer Fox and I would ever agree on something! Ha! Ha!

Every Saturday morning,

The finest of the lot,  
I love the Disney stories  
About Mickey and his friends,  
In fact I love them all so much,  
I wish they would never end!

Mickey and friends is simply  
the best,  
I just had to put it to the test,  
Wet and rainy days turn to  
sunny,  
As Mickey and Goofy are
